The *Order* granted Cable & Communications Corporation ("C&CC") an extension through April 26, 2008 within which to meet the requirement of Section 20.18(g)(1)(v) that 95% of the handsets used by its subscribers be location-capable, subject to specific conditions and reporting requirements.

<sup>2</sup> See C&CC Compliance Report, filed March 27, 2008, reporting achieving a 95.19% penetration rate on March 21, 2008.
